SHREYAS INTERMEDIATES LIMITED

ANNEXURE 'II' TO THE BOARD'S REPORT FOR FINANCIAL YEAR ENDED 31ST MARCH, 2022

MANAGEMENT DISCUSSION AND ANALYSIS

Today, we are manufacturing Phthalocyanine Blue Crude and its downstream products in India on job work basis and contribute upto 15% of the entire Copper Phthalocyanine market of India. The company has a global presence in 15 countries.

The production capacity of Shreyas Intermediates Ltd. in Copper Phthalocyanine Blue Crude is 1500 metric tons per month, in Alpha Blue is 200 metric tons per month and in Pigment Green 7 is 50 metric tons per month. We also plan to expand their operations in the Beta Blue market with a production capacity of 250 metric tons per month. This rapidly growth production capacity makes us one of the most progressive players in the industry.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Chemicals are an integral part of our modern day life. There is hardly any industry where chemical substances are not used. Pigments are an integral ingredient of the chemical industry. Pigments are colouring agents that can be classified into phthalo and azzo pigments. Phthalocyanine pigments are one of the largest categories of pigments manufactured in India. Your Company is engaged in the manufacture of Phthalocyanine Blue Crude and its downstream products in India on job work basis.

OPPORTUNITIES, THREATS, RISK & CONCERNS

The global pigments industry produces hundreds of colourants for a wide spectrum of industries and consumers. The major markets are printing inks, paints and coatings, plastics, paper, ceramics, textiles, glass, food and cosmetics.

With more and more people are moving to urban areas there has been a hefty growth in the paints and coating industry. The Asia Pacific region is expected to grow as demand and production of pigment are shifting from the US, Europe and Japan to the emerging markets of Asia, especially China and India.

A steady increase in the large pigments markets such as paint and coating will catalyse volumes. With the printing ink industry also performing well, it will open up newer opportunities for the Company.

Raw material availability and their costs are always a concern. The key raw materials used in the manufacture of the pigments are derivatives of crude oil. Hence, prices of raw material vary with fluctuation in the international crude oil prices. The Company has an in built system of monitoring the inventory and logistics. Further production process of the Company is vertically integrated, where CPC Blue Crude is the primary raw material for the production of Pigment Blue. This helps the Company to manage the raw material cost. The future of pigment production is completely dependent on the ability to treat the waste water. The Company has been investing continuously in meeting its obligations towards protecting the environment. Towards this step, the company aims at providing a seamless integration of quality and schedule by ensuring timely deliveries, state-of-the-art manufacturing products, new age technology, constant innovation and economic viability.

The Audit Committee monitors the implementation of the risk mitigation plans.

OUTLOOK

Indian economy is expected for slow revival with continued inflationary prices, rising raw material cost, depreciating rupee. The global economy shows signs of revival but with no significant upturn. Developed economics like North America and Europe which are major consumers of pigment are gradually recovering and accordingly demand for printing inks, paints and coating is expected to pick up, which will benefit the Company.

The Company will continue its efforts to increase the utilization of its installed capacities, which will be crucial to achieve an improvement in the operational results. Priority will be on the quality of the products. The disciplined focus will be cost reductions, operating efficiencies and diligent cash deployment in value creating opportunities. The Company is also taking efforts to increase the product line whereby company will be in a position to increase the margin on sales.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has a proper and adequate system of internal controls commensurate with its size and business operation to ensure timely and accurate financial reporting in accordance with applicable

accounting standards, safeguarding of assets against unauthorized use or disposition and compliance with all applicable regulatory laws and company policies. Internal control systems are reviewed by Audit Committee on a regular basis for its effectiveness and the necessary changes suggested are incorporated into the system. Internal Audit Reports are reviewed by the Audit Committee of the Board.

FINANCIAL PERFORMANCE

The financial performance of the company has been discussed and disclosed in the Board's Report.

HUMAN RESOURCES DEVELOPMENT

The Industrial relations climate of your Company continues to remain harmonious with focus on productivity, quality and safety. During the year under review, there were, no significant labour issues outstanding or remaining unresolved during the year. The Board records their appreciation of the commitment and support of the employees and looks forward to their continued support. As on 31st March 2022, the Company had no permanent employees.

CAUTIONARY STATEMENT

Some of the statements in this "Management Discussion and Analysis", describing the Company's objectives, projections, estimates, expectations and predictions may be "forward looking statements" within the meaning of applicable securities laws and regulations. Although the expectations are based on reasonable assumptions, the actual results could materially differ from those expressed or implied, since the Company's operations are influenced by many external and internal factors beyond the control of the Company. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SHREYAS INTERMEDIATES LIMITED

Opinion

We have audited the accompanying financial statements of **SHREYAS INTERMEDIATES LIMITED** ('the Company'), which comprise the balance sheet as at 31 March 2022, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind As, of the state of affairs (financial position) of the company as at 31st March 2022, and its profit (financial performance including other comprehensive income), its cash flow and the changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director Report and Corporate Governance Report but does not include the Financial Statements and our auditor's report thereon

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with

the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

A further description of our responsibilities for the audit of the Financial Statements is included in Appendix -1 of this auditor's report.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) the Balance Sheet, the Statement of Profit and Loss including other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are

in agreement with the books of account.;

- (d) in our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
- (e) on the basis of the written representations received from the directors as on 31 March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting; and
- (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us :
 - i. The company has no pending litigation which would impact its financial position except those disclosed in financial statements;
 - ii. The company did not have any long-term contract including derivative contract for which there were any material foreseeable losses;
 - iii. There were no amounts which were required by the company to be transferred to the Investor Education and Protection Fund, and;
 - iv. a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

2. As required by Section 143(3) of the Act, based on our audit we report that:
As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure B, a

statement on the matters specified in the paragraph 3 and 4 of the Order.

APPENDIX-1

(Referred to in 'Auditor's Responsibilities for the Audit of the Financial Statements' paragraph of the independent Auditor's Report)

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedure responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls with reference to Financial Statements in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusion are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **SHREYAS INTERMEDIATES LIMITED** of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SHREYAS INTERMEDIATES LIMITED** (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure 'A' to the Independent Auditor's Report of SHREYAS INTERMEDIATES LIMITED for the Year ended as on 31st March 2022

Annexure referred to in paragraph 2 under the heading "Report on Other Legal and Regulatory Requirements" of our report on even date:-

- i. a) i. The company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;
- ii. The Company has maintained proper records, showing full particulars of its intangible Assets.
- b) The Property, Plant and Equipment are been physically verified by the management at regular intervals based on the programme of verification which in our opinion is reasonable. All the major Property, Plant and Equipment have been verified by the management in the current year and discrepancies noticed on such physical verification were not material and the same have been properly dealt with in the books of accounts.
- c) The title deeds of immoveable properties are held in the name of the company.
- d) The Company has not revalued its Property, Plant and Equipment (including Right-of-use assets) or intangible assets during the year. Accordingly, the reporting under Clause 3(i)(d) of the Order is not applicable to the Company.
- e) The title deeds of immovable properties are held in the name of the company. Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its standalone financial statements does not arise.
- ii. a) The inventories have been physically verified by the management during the year at reasonable interval. According to information & explanations given to us, the discrepancies noticed on verification between the physical stock and books record, have been properly dealt with in the Books of accounts.
- b) The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets; and the Company has filed quarterly returns or statements with such banks. No material differences have been observed therein. The Company has not taken borrowings from financial institution.
- iii. According to information & explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liabilities partnership or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Hence, reporting under clause (a) to (f) of Para 3(iii) are not applicable.
- iv. The Company has not entered into any transaction in respect of loans, investments, guarantee and securities, which attracts compliance to the provisions of the sections 185 and 186 of the Companies Act, 2013. Therefore the paragraph 3(iv) of the Order is not applicable to the company.
- v. In our opinion and according to information and explanations given to us, the Company has not accepted deposits in terms of the provisions of section 73 to 76 of the Companies Act, 2013 and

rules framed there under. Therefore, the paragraph 3(v) of the Order is not applicable to the company.

- vi. We have reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records u/s 148(1) of the Companies Act 2013 in relation to products manufactured and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records.
- vii. a) According to the information and explanations given to us and on the basis of our examination of the books of accounts, the company has been generally regular in depositing undisputed statutory dues including provident fund, employee state insurance, income tax, service tax, value added tax, cess and other statutory dues during the year with the appropriate authorities. As on 31st March 2022, there are no undisputed statutory dues payables for a period exceeding more than six month from the date they become payable.
- b) According to the information and explanations given to us, there are dues of Sales Tax, Customs, Wealth Tax, Excise Duty Cess which have not been deposited on account of disputes and as are given below:

Name of Statute (Nature of Dues)	Forum where Dispute are pending	Period to which the amount relates	Amount (Rs. In Lacs)

- viii. According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.
- ix. a) Based on our audit procedures and on the basis of information and explanations given to us and on the basis of our examination of the records, we are of the opinion that the Company has not defaulted in the repayment of loans or other borrowings or in the repayment of interest thereon to the lenders and hence reporting under clause 3(ix) of the Order is not applicable to the Company.
- b) The Company has not been declared as willful defaulter by any bank or financial

institution or other lender.

- c) In our opinion, and according to the information and explanations given to us, the term loans have been applied, on an overall basis, for the purposes for which they were obtained.
- d) In our opinion, and according to the information and explanations given to us, funds raised on short term basis have not been utilised for long term purposes.
- e). According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f). According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies
- xi. a). During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or any fraud on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the management.
- b). During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.
- c). During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, the Company has not received any whistle-blower complaints during the year
- xii. The company is not a Nidhi Company, therefore para 3(xii) of the Order is not applicable.

- xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under Clause 3(xviii) of the Order is not applicable to the Company.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

GENERAL INFORMATION

Shreyas Intermediates Limited (The Company) was incorporated in the year 1992 under the Provisions of the Companies Act 1956

The principal business of the Company is to manufacture Pigments and Pigment Intermediates.

The Registered Office of the Company is situated at D-21,D-22 & D-23, M.I.D.C., Lote Parshuram, Taluka-Khed, District Ratnagiri-415722 Maharashtra

A. BASIS FOR PREPARATION OF FINANCIAL STATEMENTS

a. Statement of Compliance

The shares of the company are listed on Bombay Stock Exchange (BSE).

The Company's financial statements complies in all material aspects with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Companies Act, 2013 (the Act).

b. Basis of measurement

The financial statements have been prepared on a historical cost basis, except for the following items :

Item	Measurement
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/liability	Present value of defined benefit obligations

c. Use of Estimates and judgments

Preparation of these financial statements is in conformity with IndAS. It requires the management to make estimates and assumptions considered in the reported amounts of assets, liabilities (including contingent liabilities), income and expenses. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize. Estimates include the useful lives of property plant and equipment and intangible fixed assets, allowance for expected credit loss, future obligations in respect of retirement benefit plans, fair value measurement etc.

d. Measurement of fair values

Accounting Policies and disclosures requires measurement of fair values for both financial and non-financial assets and liabilities. Fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access at measurement date.
- Level 2 inputs other than quoted prices included in Level 1, that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and

- Level 3 inputs for the asset or liability that are not based on observable market data (unobservable inputs).

e. Operating Cycle

Based on the nature of products/ activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current

Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in Schedule III to the Companies Act, 2013 modified in accordance with the requirements of Ind AS. The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

Amounts in the financial statements are presented in Indian Rupees.

B. SIGNIFICANT ACCOUNTING POLICIES

B1. REVENUE RECOGNITION

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for rebates and other similar allowances.

Sale of goods

Revenue from the sale of goods is recognized when the goods are dispatched and titles have passed, at which time all the following conditions are satisfied:

- The Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- The amount of revenue can be measured reliably;
- It is probable that the economic benefits associated with the transaction will flow to the Company; and
- The costs incurred or to be incurred in respect of the transaction can be measured reliably.

Rendering of services

Revenue from a contract to provide services is recognized by reference to the stage of completion of the contract. Servicing fees included in the price of products sold are recognized by reference to the proportion of the total cost of providing the servicing for the product sold.

Dividend and interest income

Dividend income from investments is recognized when the shareholder's right to receive payment has been established.

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on, time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future

cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

B2. PROPERTY, PLANT AND EQUIPMENT (PPE)

Property, plant and equipment (including furniture, fixtures, vehicles, etc.) held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Cost of acquisition is inclusive of freight, duties, taxes and other incidental expenses. Freehold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognized impairment loss. Cost includes items directly attributable to the construction or acquisition of the item of property, plant and equipment, and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. Depreciation is charged on a pro-rata basis at the straight line method over estimated economic useful lives of its property, plant and equipment generally in accordance with that provided in the Schedule II to the Act.

Depreciation of an asset begins when it is available for use. Depreciation of an asset ceases at the earlier of the date that the asset is classified as held for sale (or included in a disposal group that it is classified as held for sale) in accordance with Ind AS 105 and the date that the asset is de-recognized. Therefore depreciation does not cease when the asset becomes idle or is retired from active use unless the asset is fully depreciated.

However under usage methods of depreciation the depreciation charge can be zero while there is no production.

Depreciation on additions/ deductions is calculated pro-rata from/ to the month of additions/ deductions.

An item of property, plant and equipment is derecognized upon disposal. Any gain or loss arising on the disposal of an item of property plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

B3. INTANGIBLE ASSETS

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

B4. IMPAIRMENT OF TANGIBLE AND INTANGIBLE ASSETS

The carrying amount of assets are reviewed at each Balance Sheet date, to assess, if there is any indication of impairment based on internal/external factors. An asset is impaired when the carrying amount of the assets exceeds the recoverable amount. Recoverable amount is the higher of fair value less costs of disposal and value in use. If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount.

An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired.

When an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

B5. INVENTORIES

Raw material including consumables and stores and spare are valued at cost. The cost determined on the basis of FIFO method.

The cost of Finished Goods and Work in Progress comprises raw material, direct labour, other direct cost and appropriate proportion of variable and fixed over head expenditure, the latter being allocated on the basis of normal operating capacity. Costs of Inventories also include all the cost incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. NRV is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated cost necessary to make the sale.

B6. Provisions, Contingent Liabilities and Contingent Assets:

Contingent Liabilities

Claims against the Company not acknowledged as debts Rs.497.39 Lacs (2021-Rs.497.39 Lacs) excluding interest , wherever applicable

These comprise:

- (1) Excise duty disputed by the Company relating to issues of applicability and classification aggregating Rs.456.01 Lacs (2021-Rs.456.01 Lacs), excluding interest on claims, wherever applicable.
- (2) Other matters Rs.41.38 Lacs (2021-Rs.41.38 Lacs), excluding interest on other matters, wherever applicable.
- (3) Claims against the Company not acknowledged as Debts Rs.1600 Lacs, excluding interest pending at Civil Court, Ratnagiri, Maharashtra.

It is not practicable for the Company to estimate the closure of these issues and the consequential timings of Cash flows, if any, in respect of the above.

B7. FOREIGN CURRENCY TRANSACTIONS

In preparing the financial statements of the Company, transactions in currencies other than the company's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not

retranslated. Exchange differences on monetary items are recognized in profit or loss in the period in which they arise.

Foreign currency derivatives are initially recognized at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognized in profit or loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

B8. EMPLOYEES BENEFITS

Company's contributions paid/ payable during the year to Provident Fund and Employees' State Insurance Corporation (ESIC) are recognized in the Profit & Loss Account; Provident Fund contributions are made to RPFC. The remaining contributions are made to a Government Administered Employee Pension Fund towards which the company has no further obligations beyond its monthly contributions.

Defined benefits and other long term employee benefits are provided on the basis of actuarial valuation made at the end of each financial year. Actuarial gain or losses arising from such valuation are charged to Other Comprehensive Income in the year in which they arise.

B9. RESEARCH & DEVELOPMENT EXPENDITURE

Expenditure on research activities is recognized as an expense in the period in which it is incurred where no internally generated asset can be recognized.

B10. FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

Financial Assets

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets. Investments in debt instruments that meet the following conditions are subsequently measured at amortized cost (unless the same are designated as fair value through profit or loss (FVTPL)):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (unless the same are designated as fair value through profit or loss)

- The asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments at FVTPL are a residual category for debt instruments and all changes are recognized in profit or loss.

Investments in equity instruments are classified as FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in Other Comprehensive Income (OCI) for equity instruments which are not held for trading.

Interest income, dividend income and exchange difference (on debt instrument) on Fair Value Through Other Comprehensive Income (FVTOCI) debt instruments is recognized in profit or loss and other changes in fair value are recognized in OCI and accumulated in other equity. On disposal of debt instruments FVTOCI the cumulative gain or loss previously accumulated in other equity is reclassified to profit & loss. However in case of equity instruments at FVTOCI cumulative gain or loss is not reclassified to profit & loss on disposal of investments.

Financial Liabilities and Equity Instruments

Classification as debt or equity

Debt and equity instruments issued by Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Financial liabilities

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance Costs' Line item.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability.

- a. Loans and borrowings are subsequently measured at amortized costs using Effective Interest Rate method.
- b. Financial liabilities at fair value through profit or loss (FVTPL) are subsequently measured at fair value.
- c. Financial guarantee contracts are subsequently measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.
- d. Financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.
- e. Disclosure regarding parties and transactions as required by Ind AS-24 issued by the Institute of Chartered Accountants of India are as under:

B11. IMPAIRMENT OF FINANCIAL ASSETS (EXPECTED CREDIT LOSS MODEL)

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, debt instruments at FVTOCI, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset and financial guarantees not designated at FVTPL

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract/agreement and all the cash flows that the Company expects to receive (i.e.. all cash shortfalls), discounted at the original effective interest rate. The Company estimates cash flows by considering all contractual terms of the financial instrument, through the expected life of the financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the life-time expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk has not increased significantly, the Company measures the loss allowance at an amount equal to 12-month expected credit

losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the life-time cash shortfalls that will result if the default occurs within 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead of a change in the amount of the expected credit loss. To achieve that, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

B12. PROVISIONS

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

B13. WARRANTIES

The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures. The timing of outflows will vary as and when warranty claim will arise- being typically six months to one year.

B14. CURRENT AND NON-CURRENT CLASSIFICATION

Current Asset:

An asset shall be classified as current when it satisfies any of the following criteria:

- (a) it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded.
- (c) It is expected to be realized within twelve months after the reporting date, or
- (d) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets shall be classified as non-current.

Current Liabilities:

A liability shall be classified as current when it satisfies any of the following criteria:

- (a) it is expected to be settled in the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within twelve months after the reporting date: or
- (d) the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could at the

option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities shall be classified as non-current.

B15. DEFERRED TAX & CURRENT TAX

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

The income tax expense or credit for the year is the tax payable on current year's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

B16. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events where it is either not probable that an outflow of resources will

be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

A contingent asset is a possible asset arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognised till the realisation of the income is virtually certain. However the same are disclosed in the financial statements where an inflow of economic benefit is possible.

B17. EARNINGS PER SHARE (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating Diluted Earnings per Share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential Equity Shares.

Computation of Basic & Diluted EPS	2021-2022	2020-2021
a. Profit/(Loss) after Tax as per P&L A/c	(1,35,43,321)	(1,46,72,305)
b. Number of Equity Shares	7,08,53,900	7,08,53,900
c. Basic EPS	(0.19)	(0.21)
d. Diluted EPS	(0.19)	(0.21)
e. Face Value per Equity Share	10	10

C. CASH FLOW STATEMENT

Cash flow statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method. Under the indirect method, the net profit/(loss) is adjusted for the effects of:

- (a) transactions of a non-cash nature;
- (b) any deferrals or accruals of past or future operating cash receipts or payments and,
- (c) All other items of income or expense associated with investing or financing cash flows.

The cash flows from operating, investing and financing activities of the Company are segregated based on the available information. Cash and cash equivalents (including bank balances) are reflected as such in the Cash Flow Statement. Those cash and cash equivalents which are not available for general use as on the date of Balance Sheet are also included under this category with a specific disclosure.
